

Augeninstitut Hellbach - Your Specialist for Glass Eye Prostheses

About Us

Augeninstitut Hellbach is a specialized institute in Wiesbaden, operating for 30 years and run by the second generation. We specialize in the manufacturing and fitting of individual glass eye prostheses.

Our Philosophy

We value helping you not only with professional skill and many years of experience, but also with calmness, understanding, and time. Our goal is to help you regain normalcy and make you forget that you are wearing an eye prosthesis.

Our Services

- Individual manufacturing of glass eye prostheses
- Fitting and consultation
